Admissions Policy

St Thomas's Playgroup aims to provide children from aged 2 to 5 years with a safe stimulating environment in which they can explore the world beyond home.

The Playgroup welcomes children from the whole community. The group meets in a spacious church hall but has no religious affiliations.

The Playgroup is advertised in community halls and amenities, local shops and via health visitors.

The Playgroup can accommodate twenty four children, of which eight can be two years old. A child can start from the day of their second birthday and stay until they are ready for Reception Class (rising 5).

When the number of applications exceeds the number of places available the applications will be organised into age bands. Places will be offered to children in the oldest age band first.

The Playgroup promotes ethnic diversity and also aims to have at least two children from low-income families.

The Admissions Officer and Playgroup Leader have final discretion on admissions.
