Child Protection Policy

Support for staff working at St Thomas' Playgroup

- When changing a child's wet/soiled clothes and taking a child to the toilet inform another member of staff of what you are going to do. For your own protection leave the toilet door open. Try and leave the child with as much dignity as possible.
- It is important to discuss any suspicions however vague, with the Playgroup Leader Claudine Noury.
- Should the Playgroup Leader Claudine Noury be unavailable for any reason you should contact the Current Chair of Playgroup (chair@stthomasplaygroup.org.uk). If both are unavailable the matter should be reported directly to Social Services.
